March News 2016

Hunua Village Green and playground: Watch that space grow!

If you travel through the village, you can't help but notice the earth works and landscaping that's taken place over the past weeks. The playground is in its finishing stages and there will be an 'official' opening of the new Hunua Village Green playground soon. If you haven't already, do take advantage of the carparks at the back of the Hunua Village Green.

Hunua Village Summer Market: Make it a date.

We're aiming for another market day before we lose daylight; we'll confirm the date within the month. If you know of anyone who might like to take a stall, to find out more, or share suggestions, please visit the Hunua Village market day facebook page, or email contact@hapvra.co.nz

Hunua Triangle: Neighbourly support.

Thanks to the reach of the Informer we've been offered wonderful help through the Rotary Club of Drury who responded to our request last month. On top of that the excellent weed eating skills of Mike Julian have provided a timely trim, and in the next few weeks spraying and mulching will happen. Any help that you care to offer is more than welcome. Please email contact@hunua.org.nz
